

# The Game of Contrast

January (Happy New Year) Block Lotto

**BLACK AND WHITE** - the ultimate classic combo.

This is a super busy time of year so this one is pretty quick with hopefully a great end result.

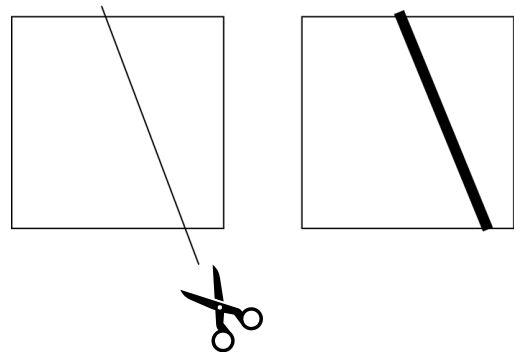

Cut a piece of good quality white cotton 10" square.

(This block will finish at 9" square so if you think you need to start larger, do so.)

Slash it somewhere and add some black, not too much. Stitch it into the slash.

- Suggestions include
- a strip
  - a sliver
  - 2 strips
  - a triangle
  - a curvy piece
  - etc.

Trim to 9" square.

1 block = 1 ticket.

Make a bunch!
