

Happy Scrappy Canada Day  
 By Tasmin Tanghe  
 For MQG Victoria March 2026

If you win it, you can possibly finish it before Canada Day!

Earn 1 Block Lotto ticket for each pair, either a set of red and white, or two the same. They are quick and fun so make a bunch!

STEP ONE:

Gather a variety of red and white fabrics. Patterns, solids, and tone-on-tones are all fine. Mildly wonky is nice; perfectly straight is not required.

STEP TWO:

Red block:  
 Start with a 2 to 3 inch **squarish** piece of white fabric.

Build around it in red fabrics using 2 to 3 inch wide pieces.

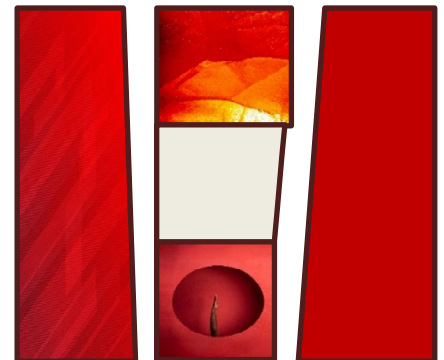

Build using Courthouse Step style:

- A. add to both sides of center square.
- B. add to top and bottom.

A.

B.

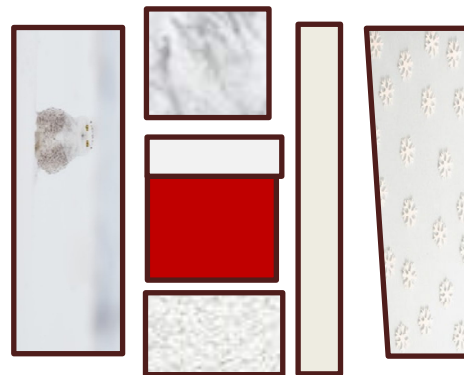

Ideally use 5 pieces of fabric per square (shown above), but if any narrower strips are required/desired, sew those closer to the center (shown below).

STEP THREE:

White block:  
 Start with a red squarish piece of fabric.  
 Build around it in white fabrics.

The centers can be off-center.  
 Trim to 6.5" square.

STEP FOUR:

Sew a bunch, if you wish!
