

Zipper-Style Block Lotto

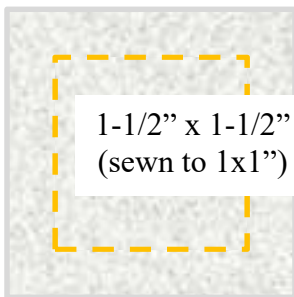

Make this monochromatic block in one hue of your choice.
Each block = 1 ticket.
Bring as many as you'd like.

- Choose a colour you have scraps/strips in a variety of **mediums** to **brights**. (The effect is lost on pale colours, as you can see in my photo!) You'll need enough for 8 pieces 1-1/2" x 3-1/2".
- Solids or patterns or tone-on-tones are all fine.
- Cut 8 strips 1-1/2" wide by 3-1/2" long

- Choose white/white-on-white scraps/strips,
- Cut 8 squares 1-1/2" x 1-1/2".
Or cut a few white strips a minimum of 1-1/2" wide (trim later), enough to attach your 8 coloured pieces, as shown.

- Stitch together using 1/4" seams
- Press and trim into 8 pieces 1-1/2 x 4-1/2".

- Stitch together alternating white and coloured edges, as shown.
- Aim to have the coloured pieces start upper left (A) and end lower right (B) positions
- Yields a raw block 4.5 x 8.5 inches.
- Trim if necessary
