

VaVa-Victory
By Tasmin Tanghe
For MQG Victoria 2026 Block Lotto

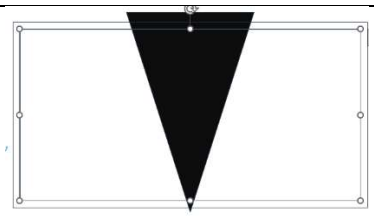

Use your maroons, dark reds, darkest pinks, burgundies! Solids or patterns okay.

Instructions assume you will build on a thin foundation fabric, cut 6” x 12”.

Fabrics will overhang enough so that when block is trimmed to 6.5 x 12.5” the foundation fabric will not be inside the seams (perfect world objective).

Choose a solid BLACK fabric for center triangle.
Cut a triangle 4.5” wide at base by 7” tall

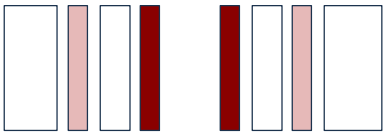

Center black triangle on foundation fabric, right side up.
No need to stitch.

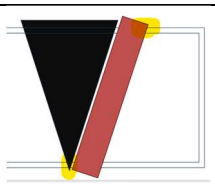

Due to angle, minimum length of strings/strips will be 7.5”:

Choose 1.25” wide COLOURED strings/strips
(solid or patterned maroons, dark reds, dark pinks, burgundies).
Cut TWO dark and TWO medium value.

Cut TWO 2” wide strings/strips in solid WHITE and
TWO 3.5” wide strings/strips in solid WHITE, and/or keep some WHITE scraps for outer triangles.

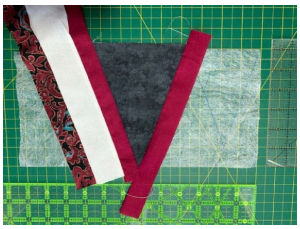

To build, lay DARK Coloured strip face up to test position.
[Yellow marks illustrate what to check for.]
Flip DARK Coloured strip onto BLACK triangle, preserving the relative position.
Stitch ¼” seam and press open.
Repeat on other side of BLACK triangle.

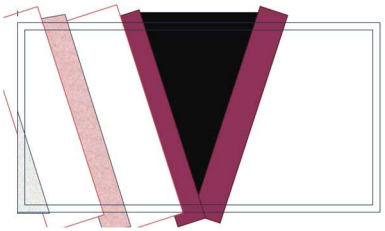

Build outward from center: Black, coloured, white, coloured, white, white outer triangles to fill space if needed.

view from below

Trim block to 6.5” x 12.5”.
In a perfect world, ¼” surrounds the foundation piece.

1 block for 1 block lotto ticket. Make a bunch!

Possible layout of 9 blocks.
